

# Adopt-A-School Sunday

(Choose a SUNDAY if possible, before the end of March)

**Contact The NE Ohio Adopt-A-School Network and Officially Adopt-A-School if you have not done so already**

(If your Church has already adopted a school, use this Sunday to reaffirm your adoption as a congregation)

## What to do on the Adopt-A-School Sunday

Announce the name of the school(s) your Church has adopted with some information about the school: location, principal's name, etc.

Call to the front of your congregation your *Educators/Students & Parents*

- Ask the *Educators* to share what school they teach in and their position.
- Ask the *Students* to share what school they attend and what activities and programs they are involved in.
- Encourage *Parent* participation in the upcoming school year.

**Commission them as missionaries to their schools and have a specific time of prayer for them.**

Make a **list of all the schools represented in your congregation**. Make the list available to all of your members somewhere in your church facility and **make a commitment to pray for them** throughout the school year. We would like to ask you to share that information with us to help us unite the Christian Educators and Students at our local schools in Cleveland and NE Ohio that may want to start and/or maintain Teachers Prayer Groups and Student-Led Outreach Bible Clubs at their schools, etc.

- Distribute **Prayer Cards/Sheets** to give members a sample of what they can begin to pray for the school(s) you have adopted and the schools that your educators and students are in. (We can obtain the prayer cards/sheets for you)
- Ask if any members would consider **volunteering** for the school as mentors, tutors, helping clerically, adopting a teacher etc., 1 hr., 1day, once a week or once this year and ask them to sign up. Please make available a sign up area in your Church for several weeks.
- Take an **offering** to help with the adoption of your school and to share a portion of it with the Adopt-A-School Network c/o Ministry of Reconciliation to help us with the facilitating of the school adoptions in Cleveland and NE Ohio.
- If you had previously adopted a school, please share the name of the school with us if you have not done so already. We want to obtain **periodic school adoption reports**, to share with our communities how the adoptions are making a positive difference throughout the school year!
- Optional to do on this Sunday or choose another Sunday: **Invite the principal of the school** you are adopting to come and share the successes and the needs of the school. **Also invite the staff** to come, to begin building a relationship with them. Have a meet and greet with refreshments after service.
